To whom it may concern,

I have been a state certified contractor for nearly 12 years, and in that time I've had the good fortune to have D.A. Telcom install and service phone systems for my jobs. Steve Siegel has proven himself to be both capable and courteous in all aspects of his profession. I have recommended him to associates and will continue to do so. If I can be of further service concerning this matter please contact me.

Sincerely,

William F. Brown President
